

Cemetery Gates

Pantera

Reverend, Reverend
Is this a conspiracy?
Crucified for no sins
No revenge beneath me
Lost within my plans for life
It all seems so unreal
I'm a man cut in half in this world
Left in my misery
The reverend he turned to me
Without a tear in his eyes
It's nothing new for him to see
I didn't ask him why
I will remember
The love our souls had sworn to make
Now I watch the falling rain
All my mind can see
Now is your...
Well I guess
You took my youth
I gave it all away
Like the birth of a
New-found joy
This love would end in rage
And when she died
I couldn't cry
The pride within my soul
You left me incomplete
All alone as the Memories now unfold.
Believe the word
I will unlock my door
And pass the
Cemetery gates
Sometimes when I'm alone
I wonder aloud
If you're watching over me
Some place far abound
I must reverse my life
I can't live in the past
Then set my soul free
Belong to me at last
Through all those
Complex years
I thought I was alone
I didn't care to look around

And make this world my own
And when she died
I should've cried and spared myself some pain...
Left me incomplete All alone as the memories still remain
The way we were
The chance to save my soul
And my concern is now in vain
Believe the word
I will unlock my door And pass the cemetery
Gates
(SOLO)
The way we where
The Chance to save my soul
And my concern is now in vain
Believe the word
I will unlock my door
And pass the cemetery
Gates
(guitar solo)
Gates
(guitar solo)
Gates
(ending guitar solo)
