

I Will Rest In You

Jaci Velasquez

Lord I'm in the dark
Seems to me the light is dead, when i come calling.
No one there, the sky is falling.Lord I need to know
my mind is playing games again
your right where you have always been.Take me back to you
To the place that I once knew
As a little child
constantly the eyes of God watched over me.Oh, I want to be
In the place that I once knew as a little child
Fall into the bed of faith prepared for me.I will rest in You
I will rest in You
I will rest in You.
Tell me I'm a fool
Tell me that You love me for the fool I am
comfort me like only You can
And tell me there's a place
Where I can feel Your breath
Like sweet caresses on my face again.Take me back to You.
The place that I once knew as a little child
Constantly the eyes of God watched over me
Oh, I want to be
In the place that I once knew as a little child
Fall into the bed of faith prepared for me.I will rest in You
I will rest in You
I will rest in You.I will rest in You
I will rest in You
I will rest in You.
La la la la You.
La la la la la.
La la la la la-ah.
(You,) You la la la la You.
La la la la la-ah. (You.)Take me back to You.
The place that I once knew as a little child
Constantly the eyes of God watched over me
Oh, I want to be
In the place that I once knew as a little child
Fall into the bed of faith prepared for me.
I will rest in You
I will rest in You
I will rest in You.
I will rest in You
I will rest in You

I will rest in You.
