

# I Will Rest In You

Jaci Velasquez

Lord I'm in the dark  
Seems to me the light is dead, when i come calling.  
No one there, the sky is falling.Lord I need to know  
my mind is playing games again  
your right where you have always been.Take me back to you  
To the place that I once knew  
As a little child  
constantly the eyes of God watched over me.Oh, I want to be  
In the place that I once knew as a little child  
Fall into the bed of faith prepared for me.I will rest in You  
I will rest in You  
I will rest in You.  
Tell me I'm a fool  
Tell me that You love me for the fool I am  
comfort me like only You can  
And tell me there's a place  
Where I can feel Your breath  
Like sweet caresses on my face again.Take me back to You.  
The place that I once knew as a little child  
Constantly the eyes of God watched over me  
Oh, I want to be  
In the place that I once knew as a little child  
Fall into the bed of faith prepared for me.I will rest in You  
I will rest in You  
I will rest in You.I will rest in You  
I will rest in You  
I will rest in You.  
La la la la You.  
La la la la la.  
La la la la la-ah.  
(You,) You la la la la You.  
La la la la la-ah. (You.)Take me back to You.  
The place that I once knew as a little child  
Constantly the eyes of God watched over me  
Oh, I want to be  
In the place that I once knew as a little child  
Fall into the bed of faith prepared for me.  
I will rest in You  
I will rest in You  
I will rest in You.  
I will rest in You  
I will rest in You

I will rest in You.
