

I Should Have Walked Away (feat. Nino Lucarelli)

Kaaze

Oh I, I just died in
Your arms tonight
It must have been something you said
I just died in your arms tonight Oh I, I just died in
Your arms tonight
It must've been some kind of kiss
I should have walked away,
I should have walked away I should have walked away Oh I, I just died in
Your arms tonight
It must've been some kind of kiss
I should have walked away,
I should have walked away
I keep looking for
Something I can't get
Broken hearts lie all around me
And I don't see an easy
Way to get out of this
Her diary it sits on the bedside table
The curtains are closed, the
Cats in the cradle
Who would've thought that a
Boy like me could come to this Oh I, I just died in your arms tonight
It must've been some kind of kiss
I just died in your arms tonight Oh I, I just died in your arms tonight
It must've been some kind of kiss
I should have walked away,
I should have walked away
I should have walked away Oh I, I just died in your arms tonight
It must've been some kind of kiss
I should have walked away,
I should have walked away
