

# Out of Tune

## The Okee Dokee Brothers

I like it when you sing  
And all the notes agree  
When the melody is certain  
And the rhythm is a guarantee  
But I love it when you let go  
And howl at the moon  
'Cuz sometimes the words sound better  
When you sing 'em out of tune  
I like it when you play  
Right on key  
I like it when you fill the space  
With perfect harmony  
But I love it when you honky-tonk  
Like a piano in an old saloon  
'Cuz sometimes the notes sound better  
When you play 'em out of tune  
I like it when you act  
As if the world's a stage  
And your character delivers  
The soliloquies of a sage  
But I love it when you go off script  
And kiss the girl too soon  
'Cuz sometimes the story's better  
When you tell it out of tune  
... Sometimes life is better  
When you live it out of tune
