

Pray

Bebe Rexha

I pray to god
That he makes me feel alright
Hope he gets me through this one more night
I pray to god
He's like one too many drinks and my intuition starts to sink
It's like ba da da da da
Your shadows, they follow and they're haunting me
Ba da da da
Where'd you go, this hollow soul is so lonely I'm on my knees
Begging pretty please
I'm so love drunk stupid off these memories
Mother Mary please have mercy over me
The sun came up and i can't believe you're over me
When I'm hung over you
When I'm hung over you
I swear to god
That I won't do this again
I already wasted all my sins
I swear to god
I'm so sick of what you do but I'll never get enough of you
It's like ba da da da da
Your shadows, they follow and they're haunting me
Ba da da da
Where'd you go, this hollow soul is so lonely I'm on my knees
Begging pretty please
I'm so love drunk stupid off these memories
Mother Mary please have mercy over me
The sun came up and i can't believe you're over me
When I'm hung over you
When I'm hung over you
I swear to god
I swear to god
I swear to god
I swear to god
I swear to god
I swear to god
I swear to god
When I'm hung over you, you, you
You, you, you I'm on my knees
Begging pretty please
I'm so love drunk stupid off these memories
Mother Mary please have mercy over me

The sun came up and i can't believe you're over me
When I'm hung over you
When I'm hung over you I swear to god
I swear to god
I swear to god
I swear to god
I swear to god
I swear to god
I swear to god
When I'm hung over
