

# Every Rose Has It's Thorn (Country Version)

[Bret Michaels](#)

We both lie silently still  
in the dead of the night  
Although we both lie close together  
We feel miles apart inside  
Was it something I said or something I did  
Did the words not come out right  
Though I tried not to hurt you  
Though I tried  
But I guess that's why they say  
Chorus:  
Every rose has its thorn  
Just like every night has its dawn  
Just like every cowboy sings his sad, sad song  
Every rose has its thorn  
Yeah it does  
I listen to our favorite song  
playing on the radio  
Hear the DJ say loves a game of easy come and  
easy go  
But I wonder does he know  
Has he ever felt like this  
And I know that you'd be here somehow  
If I could have let you know somehow  
I guess  
Chorus  
Though it's been a while now  
I can still feel so much pain  
Like a knife that cuts you the wound heals  
but the scar, that scar remains  
Solo  
I know I could have saved a love that night  
If I'd known what to say  
Instead of makin' love  
We both made our separate ways  
But now I hear you found somebody new  
and that I never meant that much to you  
To hear that tears me up inside  
And to see you cuts me like a knife  
I guess  
Chorus
