

Paramore

Man, you really know how to get someone down
Everything was fine until you came around
And I've been chasing after dreamers in the clouds
After all, wasn't I the one who said
To keep your feet on the ground?
Man, you really brought me back down
Hold onto hope, if you got it
Don't let it go for nobody
And they say that dreaming is free
But I wouldn't care what it cost me
You got me tied up but I stay close to the window
And I talk to myself about the places that I used to go
Hope that someday maybe I'll just float away
And forget every cynical thing you said
When you gonna hear me out?
Man, you really bring me down
Hold onto hope, if you got it
Don't let it go for nobody
And they say that dreaming is free
But I wouldn't care what it cost me
Reality will break your heart
Survival will not be the hardest part
It's keeping all your hopes alive
All the rest of you has died
So let it break your heart
And hold onto hope, if you got it
Don't let it go for nobody
Hold onto hope, if you got it
Don't let it go for nobody
They say that dreaming is free
I wouldn't care what it cost me
