

# Livin' the Dream

## Uncle Kracker

Funny how things change  
Yet they always stay the same  
And the simple things in life  
Just get tossed into the flame  
But I been down that road before  
When you just gotta roll the bones  
I ain't got much money in my pocket  
But I didn't leave none at home  
Here I go again on my own  
Goin' down the only road I've ever known  
Like a drifter I was born to walk alone  
And I'll keep livin' my life, livin' the dream on my own  
A million roads to go  
And a million roads behind me  
I've heard so many stories told  
But the good ones never find me  
I ain't got no crystal ball  
That's showin' me the way  
And I don't know which way I'm goin'  
But I'll get there someday, singin'  
Here I go again on my own  
Goin' down the only road I've ever known  
Like a drifter I was born to walk alone  
And I'll keep livin' my life, livin' the dream on my own  
And after all that I've been through  
There's nothin' left to prove  
I'm startin' to believe  
We can all live the dream  
One day at a time  
Yes, I'm startin' to believe  
We can all live the dream  
Here I go again on my own  
Goin' down the only road I've ever known  
Like a drifter I was born to walk alone  
And I've made up my mind, I ain't wastin' no more time  
Here I go again on my own  
I'm goin' down the only road I've ever known  
Like a drifter I was born to walk alone  
And I've made up my mind, I ain't wastin' no more time  
Here I go again on my own  
Goin' down the only road I've ever known  
Here I go again on my own  
Goin' down the only road I've ever known  
Like a drifter I was born to walk alone  
But I'll keep livin' my life, livin' the dream on my own
