## Livin' the Dream

## **Uncle Kracker**

Funny how things change

Yet they always stay the same

And the simple things in life

Just get tossed into the flameBut I been down that road before

When you just gotta roll the bones

I ain't got much money in my pocket

But I didn't leave none at homeHere I go again on my own

Goin' down the only road I've ever known

Like a drifter I was born to walk alone

And I'll keep livin' my life, livin' the dream on my ownA million roads to go

And a million roads behind me

I've heard so many stories told

But the good ones never find me

I ain't got no crystal ball

That's showin' me the way

And I don't know which way I'm goin'

But I'll get there someday, singin'Here I go again on my own

Goin' down the only road I've ever known

Like a drifter I was born to walk alone

And I'll keep livin' my life, livin' the dream on my ownAnd after all that I've been through

There's nothin' left to prove

I'm startin' to believe

We can all live the dream

One day at a time

Yes, I'm startin' to believe

We can all live the dream

Here I go again on my own

Goin' down the only road I've ever known

Like a drifter I was born to walk alone

And I've made up my mind, I ain't wastin' no more timeHere I go again on my own

I'm goin' down the only road I've ever known

Like a drifter I was born to walk alone

And I've made up my mind, I ain't wastin' no more timeHere I go again on my own

Goin' down the only road I've ever known

Here I go again on my own

Goin' down the only road I've ever known

Like a drifter I was born to walk alone

But I'll keep livin' my life, livin' the dream on my own
