

Take Away the Colour

Ice MC

Dis a di boom shakalak fi mek
you neck pop and ben up you back
ina different style scene
a ice mc come back an me
de pon a mission watch ya noone ana two ana three ana four
it is a man a come an me a knock pan you door
you better let me in cah me full a fashion an
me come wid a little rydim fi mek you dance panina de club an ina de party
everybody dancing dem feelin' harty
wiggle you batty an wave you han an
jump around ina style an pattana
wedda you black or wedda you white
when you nadi party yafi fell alright
basslin pumpin' gyal dem jumpin'
everybody'na de party lookin' for somethingsome a dem a look dis some a dem a look dat
some a look gyal an even some a dem a look man
level vibration deh ina de dance so
come crowd a people just jump an prancetake away the colour erase away the pain
let's all live together we're all the same
open up your hearts and open up your minds
free to be as one just about that timei to the c to the e to the m to the c
mi seh come crowd a people follow me
wid the rydim an de way dat me wiggle an me wine
with the words mek you dance and move you behine
so wipe you farrid if you 'ead a sweat an
drink a beer an find di action
in the ficinity you have de ability
dash weh de coke an dash weh de ecstasytake away the colour erase away the pain
let's all live together we're all the same
open up your hearts and open up your minds
free to be as one just about that time
