

The Christmas Sing-Along

Pentatonix

Sing it like Already sick, the year has come and gone
We've got the little beat to turn you on
Are you feeling kind of down, got the lonely Christmas blues?
Well we've got that song to make you sing la-di-da, whoo Forget what the people say
It's time for the holiday
Throw up your seats lets deck the halls You've got the voice to sing
Shout it out and make it ring
Don't matter if it's stormy weather Just as long as we're together Why don't we come together
For this Christmas sing-along
Sing it like oh, oh, oh
Sing along, sing along
Oh, it's a celebration
Of laughter, joy and love
Sing it like oh, oh, oh
Sing along, sing along We'll sing it like Little boys and girls, tell me why you're down
Hold your head up, you've got no reason to frown
'Cause Santa's coming, no time for tears tonight
So we hope this jingle will make you feel alright (Feel alright) Forget what the people say
It's time for the holiday
Throw up your seats lets deck the halls You've got the voice to sing
Shout it out and make it ring
Warm and fuzzy in your favorite sweater And take a sleigh ride wherever
Why don't we come together
For this Christmas sing-along
Sing it like oh, oh, oh
Sing along, sing along Oh, it's a celebration
Of laughter, joy and love
Sing it like oh, oh, oh
Sing along, sing along We'll sing it like Why don't we come together
For this Christmas sing-along
Sing it like oh, oh, oh
Sing along, sing along Oh, it's a celebration
Of laughter, joy and love
Sing it like oh, oh, oh
Sing along, sing along We'll sing it for you
