

They Don't Know (feat. Mike Jones)

Paul Wall

yThey don't know what that scar bout'
They don't know what that bar bout'
They don't know what that candy car bout'or smokin' that joint about
Texas is the home of the playas and pimps
Showin' naked ass in the great state of Tex'
3rd Coast Born I mean we're Texas raised(Texas muthafucka that's where I stay)All ready!
What you know about swangaz and vogues
What you know bout' purple drank
What you know bout' poppin' trunk, neon lights, candy paint
What you know about white shirts, starched down jeans with a razor crease
Platinum and gold on top our teeth, big ol' chains with a iced out piece
You don't know bout' Michael Watts
You don't know about DJ Screw
What you know about "MAN! Hold UP", I done came down and what it do?
They don't know about P.A.T
What you know bout' FREE PIMP C
What you know bout' the Swishahouse man
What you know bout' the S.U.CWe keep it playa, ain't no fake
When we holdin' plex whenever haters hate
We listen to music screwed and chopped
Down here in this Lone Star state
Outta towners be comin' around
Runnin' they mouth and talkin' down
but you don't know nuthin' bout my town
either hold it down or move aroundThey don't know what that scar bout'
They don't know what that bar bout'
They don't know what that candy car bout'or smokin' that joint about
Texas is the home of the playas and pimps
Showin' naked ass in the great state of Tex'
3rd Coast Born I mean we're Texas raised
(Texas muthafucka that's where I stay)MIKE JONES!
Me and Paul we actin' a fool
When screens fall I'm packin' a tool
I'm texas raised, texas made
We grind daily no minimum wage
I represent the home of candy cars
Screw music and purple bar
Trunk bangin', fifth hangin'
84's and vogue swangin'
Belt-buckles we wear in Texas
Rag-tops lay down on Lexus
Diamonds shinin' from grillin' necklace

Haters hate cuz we well respected
 Paul Wall and Mike Jones
 Who one of the throwedest on the microphone
 We sittin' high on 20 inch chrome
 Tryin' to get our shine on
 I said, Paul Wall and Mike Jones
 Who one of the throwedest on the microphone
 We sittin' high on 20 inch chrome
 Tryin' to get our shine on
 I crack a smile and show platinum mouth
 Every time I rap I rep Swishahouse
 I spit a verse and head straight to the vaults
 5 G's for me to even open my mouth
 They don't know what that scar bout'
 They don't know what that bar bout'
 They don't know what that candy car bout'
 or smokin' that joint about
 Texas is the home of the playas and pimps
 Showin' naked ass in the great state of Tex'
 3rd Coast Born I mean we're Texas raised
 (Texas muthafucka that's where I stay)
 All Ready!
 Hold on, hold up a second cuz
 boys comin' down blue or red
 Down here pimpin' ain't dead
 Grindin' daily to stack my bread
 I from the place where girls jump fly
 Now a days the brauds pimp brauds
 Cuz they got more game than most these guys
 You'll get set up and then you'll get robbed
 You don't know bout' chunkin' a deuce
 You don't know bout a southside fade
 Down here we be ridin' d's
 But you don't know about choppin blades
 Texas southern or Prarie View
 What you know bout' battle of the bands
 Down here we got ghetto girls
 Like wings, chicken or Timmy Chan's
 You can catch me ridin' swangs
 What you know about sippin' syrup
 You don't know about pourin' it up
 Purple drank some speeches slurred
 You don't know bout' the way we talk
 Boys say we got country words
 But I don't really care what you heard
 Cuz you don't know bout' the Dirty 3rd
 They don't know what that scar bout'
 They don't know what that bar bout'
 They don't know what that candy car bout'
 or smokin' that joint about
 Texas is the home of the playas and pimps
 Showin' naked ass in the great state of Tex'
 3rd Coast Born I mean we're Texas raised
 (Texas muthafucka that's where I stay)
