

# International Dateline

## Ladytron

Woke up in the evening  
To the sound of the screaming  
Through the walls that were bleeding  
All over me Untied & weightless  
Unconscious as we cross  
The international dateline  
Let's end it here Grow tired of the shokos(?)  
And the ones that we toast  
There are no zeroes  
Around here Untied & weightless  
Unconscious as we cross  
The international dateline  
Let's end it here  
Let's end it here  
Let's end it here  
Let's leave her here  
Let's end it here Woke up in the evening  
To the sound of the screaming  
Through the walls that were bleeding  
All over me Untied & weightless  
Unconscious as we cross  
The international dateline  
Let's end it here Let's end it here  
Let's end it here  
Let's leave her here  
Let's leave her here  
Let's end it here  
Let's end it here  
Let's leave her here  
Let's leave her here
