

# Keep Your Eyes On Me

Tim McGraw & Faith Hill

Ain't it just like a tear  
To go and blur out everything  
Ain't just like glass  
To fall and break so easily  
Ain't it just like love  
To leave a mark on the skin and underneath  
Yeah, when the pain goes and shadows everything  
Keep your eyes on me  
When it hurts too much to see  
Keep your eyes on me  
Ain't it the sinner  
Who gets all the grace sometimes  
Ain't it the saint  
Who picks up the pieces left behind  
Yeah, and it's human to hurt the one  
You hurt the one you love the most  
And you can't find the sun  
Keep your eyes on me  
When you're lost in the dark  
Keep your eyes on me  
When the light in your heart is  
Too burned out to see  
Keep your eyes on me  
You swear you're all alone sometimes  
Keep your eyes on me  
And you can't find your way home sometimes  
Keep your eyes on me  
Keep your eyes on me  
Keep your eyes on me  
Keep your eyes on me  
Keep your eyes on me  
Keep your eyes on me  
Keep your eyes on me  
When you're lost in the dark  
Keep your eyes on me  
When you can't find your way home  
Keep your eyes on me  
Keep your eyes on me  
Keep your eyes on me  
Keep your eyes on me
