Beech bhawar mein daale na  
Aar rahi na paar gayi

Kuch ishq ki mauje le doobi

Kuch hijr ki andhi mar gayi Tum jaane nahi ye dard mera

Ya jaan ke bhi anjaane ho

Tum jaane nahi ye dard mera

Ya jaan ke bhi anjaane ho Ik pal yeh lage apne ho tum

Ik pal yeh lage begane ho

Dil na ya paheli bujh saka

Tum kon piya. Tum kon piya

Ye bhed tumhi ab kholo zara

Tum kon piya. Tum kon piya Tum kon piya. Tum kon piya Bin bole joh tum kehte ho

Bin bole hi woh sunlun main

Bharle tumko in ankhon mein

Kuch khwaab naye se bunn lun main Na apna ap dikhaayi de

Jab dekhoon khudko darpan me

Yeh main hun ya phir tum hi ho

Mann uljha hai is uljhan mein Mujhe apne rang me rang liya

Tum kaun piya. Tum kaun piya

Yeh bhed tumhi ab kholo zara

Tum kaun piya. Tum kaun piya Tum kon piya. Tum kon piya

Dil se jude hai ye dil apne

Kehne ko koi rishta hi nahi

Iss paakeeza se bandhan ko

Duniya me koi samjha hi nahi Jab ghav lage koi tumko

Toh dard yahan bhi hota hai

Jab namm ho tumhari yeh ankhein

Toh dil ye mera bhi rota hai Tumne bhi magari ye puch liya

Tum kon piya. Tum kon piya

Yeh bhed tum hi ab kholo zara

Tum kon piya. Tum kon piya Tum kon piya...Tum kon piya
