## Celtic Thunder

(Spoken)

Out of the mists of Time it comes  
Older than the oldest rhyme it comes  
Coursing through our veins it comes  
Pulsing in our brains it comes  
Crashing like a thunder roll  
Echoing in our very soul  
Listen for it as it comes

The pure, unbridled sound of drums  
(Spoken end)Hear our hymn from the heartland

Hear our prayer  
Steer us through stormy waters  
Lead us there...

When the storm is raging  
And thunder rolls  
Deliver us from the ocean

Save our souls(Irish Gaelic chorus)

A Thiarna, déan trócaire (Lord have mercy)

A Chríost, déan trócaire (Christ have mercy)

A Thiarna, déan trócaire (Lord have mercy)

A Chríost, déan trócaire (Christ have mercy)When the winds are howling

Vigil keep

Shelter us and save us

From the deep(Irish Gaelic chorus)

A Chríost, déan trócaire (Christ have mercy)

A Thiarna, déan trócaire (Lord have mercy)

Safe to shore

Be our strength and protection
