Miracle

Shinedown

Say it once, tell me twice

Are you certain I'm alright?

Just a sign, to remind me

That tomorrow's worth the fightEver changing the storyline that keeps me alive

So make a wish, and say...

Give me life, give me loveScarlet angel from above

Not so low, not so high

Keep it perfectly disguised

Every changing the storyline that keeps me aliveMy Mona Lisa's making me smile

Right before my eyes!

Take another look

Take a look around

It's you and me

It's here and now

As you sparkle in the sky

I'll catch you while I canCause all we are is all I am

I just want you to see

What I've always believed

You are...The miracle in me

Show me faith, like you do

I'm amazed at how you move

Side to side, front to backYou know how to make it last

Ever changing the storyline that keeps us alive

My Mona Lisa's making me smile

Right before my eyes!

Take another look

Take a look around

It's you and me

It's here and nowAs you sparkle in the sky

I'll catch you while I can

Cause all we are is all I am

I just want you to seeWhat I've always believed

You are...

The miracle in meThese are the moments you can't pass back

Let's turn the water to wine

One more time!

Take another lookTake a look around

It's you and me

It's here and now

As you sparkle in the sky

I'll catch you while I can

Cause all we are is all I am

I just want you to see
What I've always believed
You are...
The miracle in me
The miracle in me
You're the miracle in me
