

# Internet Friends

## Knife Party

Come now, surely we can be friends?  
I know so much about you  
I love you, look at everything I've done for you  
You would be nothing without me  
Why won't you answer me?  
I bet you're busy talking to some fucking slut  
Fucking skank  
Is she hotter than me?  
Would you fuck me?  
Are you gay?  
And now you're going to die  
Now you're going to die  
And now you're going to die  
Now you're going to die
