## I Am Not a Robot (Starsmith 24 Carat Remix)

## Marina and The Diamonds

You've been acting awful tough lately Smoking a lot of cigarettes lately But inside, you're just a little baby Oh It's okay to say you got a weak spot You don't always have to be on top Better to be hated than love, love, loved for what you're notYou're vulnerable You're vulnerable You are not a robot You're loveable, so loveable But you're just troubledGuess what? I'm not a robot, a robot Guess what? I'm not a robot, a robot You've been hanging with the unloved kids Who you never really liked and you never trusted But you are so magnetic, pick up all the pins Never committing to anything You don't pick up the phone when it ring, ring, rings Don't be so pathetic, just open up and singI'm vulnerable I'm vulnerable I am not a robot You're loveable, so loveable But you're just troubledGuess what? I'm not a robot, a robot Guess what? I'm not a robot, a robotCan you teach me how to feel real? Can you turn my power off? Well, let the drum beat drop Guess what? I am not a robot Guess what? I am not a robot Guess what? I'm not a robot, a robot
