Everybody's Talkin'

Tedeschi Trucks Band

Everybody's talking at me I don't hear a word they're saying Only the echoes of my mindPeople stopping staring I can't see their faces Only the shadows of their eyesI'm going where the sun keeps shining Through the pouring rain Going where the weather suits my clothes Banking off of the North East wind Sailing on a summer breeze And skipping over the ocean like a stone I'm going where the sun keeps shining Through the pouring rain Going where the weather suits my clothes Banking off of the North East wind Sailing on a summer breeze And skipping over the ocean like a stone Everybody's talking at me I don't hear a word they're saying Only the echoes of my mind I won't let you leave my love behind No I won't let you leave I won't let you leave my love behing Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
