Vicious Games (Markus Gardeweg Edit)

Yello & Hardfloor

I never knew How much I loved you I never knew

How much I cared

So I played Vicious Games, Vicious Games

With different names, different names

Vicious Games, Vicious Games

With different names, different namesI was afraid

To go under

Afraid to see

When I closed my eyes

Vicious Games, Vicious Games

With different names, different names

Vicious Games, Vicious Games

With different names, different namesI never knew

How much I loved you

I never knew

How much I care

I just played Vicious Games, Vicious Games

With different names, different names

Vicious Games, Vicious Games

With different names, different namesNow that you're gone

And you have left me

I had to learn

I had to learn how much it hurts

To play those Vicious Games

Vicious Games, Vicious Games

Different names, different names

Vicious Games, Vicious Games

Different names, different names Vicious Games, Vicious Games

Different names, different names

Vicious Games, Vicious Games

Different names, different names
