

Wonderful (Re-Recorded)

Everclear

"Hey, ain't life wonderful? Wonderful, wonderful, wonderful... Isn't everything wonderful now?"

I close my eyes when I get too sad
I think thoughts that I know are good
open my eyes and I count ten
Hope it's over when I space them
I want the things that I had before
Like a Star Wars poster on my bedroom door
I wish I could count to ten
Make everything be wonderful again
I
Would figure out why they get so mad
I hear them scream
I hear them fight
They say bad words that make me wanna cry
I close my eyes when I go to bed
And I dream of angels that make me smile
I feel better when I hear them say
"Everything will be wonderful someday"
Promises mean everything
When you're little and the world's so big
I just don't understand how
You can smile with all those tears in your eyes
And tell me
everything is wonderful now
Please don't tell me everything is wonderful now
I go to school and I run and play
I tell the kids that it's all ok
I laugh a lot so my friends won't know
When the bell rings I just don't wanna go
Go to my room and I close the door
I make life good that I have a new life
I don't believe you when you say
Everything will be wonderful some day
Promises mean everything pinky I
When you're little and the world's so big
I just don't understand how
You can smile with all those good things in your life
When you tell me everything is wonderful now
yes yes
I want to hear you tell me everything is wonderful now
yes yes
I want to hear you tell me everything is wonderful now
I don't want to hear you say
That I will understand some day
No, no, no, no
I don't want to hear you say
That you both have grown in a different way
yes

I want to meet your friends
And I don't want to start over again
I just want my life to be the not insane
Just like it used to be when my dooors are open
I love things to flow everything must flow
