

# Eyes Closed

Halsey

I, I know where to lay  
I know what to say  
It's all the same  
And I, I know how to play  
I know this game  
It's all the same  
Now, if I keep my eyes closed he looks just like you  
But he'll never stay, they never do  
Now, if I keep my eyes closed he feels just like you  
But you've been replaced  
I'm face to face with someone new  
Would've gave it all for you, cared for you  
So tell me where I went wrong  
Would've gave it all for you, cared for you  
(My lover, my liar)  
Would've traded it all for you, there for you  
So tell me how to move on  
Would've traded it all for you, cared for you  
(My lover, my liar)  
Now, if I keep my eyes closed he looks just like you  
But he'll never stay, they never do  
Now, if I keep my eyes closed he feels just like you  
But you've been replaced  
I'm face to face with someone new  
He don't realise that I'm thinking about you  
It's nothing new, it's nothing new  
Now, if I keep my eyes closed he looks just like you  
But he'll never stay, they never do  
Now, if I keep my eyes closed he feels just like you  
But you've been replaced  
I'm face to face with someone new
