

# To Bring You My Love

PJ Harvey

I was born in the desert  
I been down for years  
Jesus, come closer  
I think my time is near  
And I've traveled over  
Dry earth and floods  
Hell and high water to bring you my love  
Climbed over mountains  
Traveled the sea  
Cast down on heaven  
Cast down on my knee  
I've lain with the devil  
Cursed God above  
Forsaken heaven to bring you my love  
To bring you my love  
To bring you my love  
To bring you my love  
I know he's gonna be here  
You know he's gonna be here  
Yeah alright  
Forsaken heaven  
Cursed God above  
Laid with the devil  
Bring you my love  
To bring you my love  
To bring you my love  
To bring you my love
