## **Side Effects (feat. Emily Warren)**

## The Chainsmokers

It's 4 a.m. I don't know where to go Everywhere is closed

I should just go home, yeah

My feet are taking me to your front door

I know I shouldn't though

Heaven only knowsThat ooh, the side effect

My loneliness is youOh, you're all that I want

No good at giving you up

Come on and give me some love tonight

Oh, you're all that I want

No good at giving you up

Come on and give me some love tonight

This happens every time I try to mix

Decision making with, one too many drinksBut ooh, if late night friends have consequences,

cool yeahOh, you're all that I want

No good at giving you up

Come on and give me some love tonight

Oh, you're all that I want

No good at giving you up

Come on and give me some love tonightOh, I think about it all the time

Make it happen in my mind, I'm telling you, yeah

Oh, you're all that I want

No good at giving you up

Come on and give me some love tonight

Time should've taught me the lesson

Went looking for a sign, but instead I got a message

I take off my pride every time we undressing

Draw the line, I'm by the line, yeah

Time should've taught me the lesson

Went looking for a sign, but instead I got a message

I take off my pride every time we undressing

Draw the line, I'm by the lineOh, you're all that I want

No good at giving you up

Come on and give me some love tonight, yeah

Oh, you're all that I want

No good at giving you up

Come on and give me some love tonight, yeahI, I think about it all the time

Make it happen in my mind, I'm telling you, yeah

Oh, you're all that I want

No good at giving you up

Come on and give me some love tonightTime should've taught me the lesson Went looking for a sign, but instead I got a message I take off my pride every time we undressing
Draw the line, I'm by the line, yeah
Time should've taught me the lesson
Went looking for a sign, but instead I got a message
I take off my pride every time we undressing
Draw the line, I'm by the line, yeah
