

# Stop This Train

John Mayer

No I'm not colorblind  
I know the world is black and white  
Try to keep an open mind but  
I just can't sleep on this tonight Stop this train  
I wanna get off  
and go home again  
I can't take the speed  
it's movin in  
I know I can't  
But honestly  
won't someone stop this train?  
Don't know how else to say it  
Don't wanna see my parents go  
One generation's length away  
from fighting my life out on my own  
Stop this train  
I wanna get off and go home again  
I can't take the speed  
it's movin in  
I know I can't  
But honestly  
won't someone stop this train?  
So scared of getting older  
I'm only good at being young  
So I play the numbers game  
to find a way to say that  
life has just begun.  
Had a talk with my old man  
Said, "Help me understand"  
He said, "Turn 68...  
You renegotiate." "Don't stop this train.  
Don't for a minute change  
the place you're in  
And don't think I couldn't  
ever understand  
"I tried my hand  
John, honestly  
we'll never stop this train."  
Once in a while  
when its good  
it'll feel like it should  
And they're all still around and you're still safe and sound

And you don't miss a thing  
till you cry  
when you're drivin  
away in the dark.  
Singing  
"Stop this train.  
I wanna get off  
and go home again.  
I can't take the speed  
its movin in  
I know I can't  
Cause now I see  
I'll never stop this train."
