

# Messy

Kiara

Been sleeping over for the past couple of weeks  
Making a habit out of it, yeah  
When I woke up, I saw your toothbrush on the sink  
It kinda scared me, I'll admit  
If there's a line, then I think that we crossed it  
Second time you stay the night  
If there's a cool, then I think that I lost it  
And I should take my own advice  
Let's stop before it gets messy  
Let's stop before it gets heavy  
It's not too late to say you never met me  
Let's stop before it gets messy  
I try to tell myself that you gotta take it slow  
I always jump in way too fast, yeah  
If you wake up and I'm not there  
It's nothing personal  
Just got some problems from my past, yeah  
If there's a line, then I think that we crossed it  
Second time you stay the night  
If there's a cool, then I think that I lost it  
And I should take my own advice  
Let's stop before it gets messy  
Let's stop before it gets heavy  
It's not too late to say you never met me  
Let's stop before it gets messy  
Before it gets messy  
Messy  
Take another look at myself  
Before it gets messy  
If there's a line, then I think that we crossed it  
Second time you stay the night  
If there's a cool, then I think that I lost it  
And I should take my own advice  
Let's stop before it gets messy  
Let's stop before it gets heavy  
It's not too late to say you never met me  
Let's stop before it gets messy
