

# Princess

## Datarock

Close encounter of the third kind  
I wouldn't mind, from what I see on the dance floor! Yeah!  
I wouldn't mind an encounter  
I think we better leave through the back door, yeah! Close encounter of the third kind  
I wouldn't mind, from what I see on the dance floor! Yeah!  
I wouldn't mind an encounter  
Hey pretty girl on the floor you wanna slip through the back door? Yeah!  
P-p-p-princess! You're a princess!  
You got the ass of a prince, you got a prince of an ass  
P-p-p-princess! You're a princess!  
You got the ass of a prince, you got a prince of an ass  
P-p-p-princess! You're a princess!  
You got the ass of a prince, you got a prince of an ass  
P-p-p-princess! You're a princess!  
You got the ass of a prince, you got a prince of an ass  
P-p-p-princess!  
P-p-p-princess!
