Bad

The Cab

It feels just like it was yesterday We were in love, why's it falling apart?

I've never been one to walk away

But I've had enough & it's breaking my heart'Cause you love me just the way that you should It's nothing that you do, no, it's nothing you sayYeah baby, I know that you're good

But I don't want a good girl, no, not today'Cause I want it bad

I want a bad girl, baby, bad

I want a love that's crazy, yeah

I want a bad girl, baby, bad

I want it bad

I want a girl who stays out too late

And when I call she doesn't answer the phone

Oh, I want a girl who likes it her way

And through it all I know I'll end up aloneYeah, yeah, you love me just the way that you should It's nothing that you do, no, no, it's nothing you say

Oh pretty baby, I know that you're good

But I don't want a good girl, no, not today'Cause I want it bad

I want a bad girl, baby, bad

I want a love that's crazy, yeah

I wanna fight

I wanna rock & roll & party all night

Yeah, I want it bad

I want a bad girl, baby, bad

I want it bad

I'm getting sick of predictable

Tired, vapid, logical

Oh yeah, I gotta shake it up tonight

Yeah girl, I want something physical

Not something invicible

Oh yeah, I'm tired of being good, let's be badI want a bad girl, baby, bad

I want a love that's crazy, yeah

I want a bad girl, baby, bad

I want a love that's crazy, yeah

I wanna fight

I wanna rock & roll & party all night

Yeah, I want it bad

I want a bad girl, baby, bad

I want a love that's crazy, yeah

I wanna fight

I wanna rock & roll & party all night

Yeah, I want it bad
