

# Face Down

## The Red Jumpsuit Apparatus

Hey girl, you know, you drive me crazy  
One look puts the rhythm in my hand  
Still I'll never understand why you hang around  
I see what's goin' down  
Cover up with make up in the mirror  
Tell yourself it's never gonna happen again  
You cry alone and then he swears he loves you  
Do you feel like a man, when you push her  
around?  
Do you feel better now as she falls to the ground?  
Well, I'll tell you my friend, one day this world's going to end  
As your lies crumble down, a new life she has found  
A pebble in the water makes a ripple effect  
Every action in this world will bear a consequence  
If you wade around forever you will surely drown  
I see what's going down  
I see the way you go and say you're right again  
Say you're right again, heed my lecture  
Do you feel like a man, when you push her around?  
Do you feel better now as she falls to the ground?  
Well, I'll tell you my friend, one day this world's going to end  
As your lies crumble down, a new  
life she has found  
Face down in the dirt she said: This doesn't hurt  
She said: I finally had enough  
Face down in the dirt she said: This doesn't hurt  
She said: I finally had enough  
One day she will tell you that she has had enough  
It's coming round again  
Do you feel like a man, when you push her around?  
Do you feel better now as she falls to the ground?  
Well, I'll tell you my friend, one day this world's going to end  
As your lies crumble down, a new life she has found  
Do you feel like a man, when you push her around?  
Do you feel better now as she falls to the ground?  
Well, I'll tell you my friend, one day this world's going to end  
As your lies crumble down, a new life she has found  
Face down in the dirt she says: This doesn't hurt  
She says: I finally had enough
