

# Better Than Drugs

## Skillet

Feel your every heartbeat  
Feel you on these empty nights  
Calm the ache, stop the shakes  
You clear my mind  
You're my escape  
From this messed up place  
'Cause you let me forget  
You numb my pain  
How can I tell you just all that you are  
What you do to me  
You're better than drugs  
Your love is like wine  
Feel you comin' on so fast  
Feel you comin' to get me high  
You're better than drugs  
Addicted for life  
Feel you comin' on so fast  
Feel you comin' on to get me high  
Feel you when I'm restless  
Feel you when I cannot cope  
You're my addiction, my prescription, my antidote  
You kill the poison  
Ease the suffering  
Calm the rage when I'm afraid  
To feel again  
How can I tell you just all that you are  
What you do to me  
You're better than drugs  
Your love is like wine  
Feel you comin' on so fast  
Feel you comin' to get me high  
You're better than drugs  
Addicted for life  
Feel you comin' on so fast  
Feel you comin' on to get me high  
How can I tell you just all that you are  
What you do to me  
Feel your every heartbeat  
Feel you on these empty nights  
You're the strength of my life  
You're better than drugs  
Your love is like wine  
Feel you comin' on so fast  
Feel you comin' to get me high  
You're better than drugs  
Addicted for life

Feel you comin' on so fast  
Feel you comin' on to get me high  
Feel your every heartbeat  
Feel you on these empty nights  
Feel you comin' on so fast  
Feel you comin' to get me high  
Feel your every heartbeat  
Feel you come to get me high  
Feel you comin' on so fast  
Feel you comin' on to get me high  
To get me high
