

# Somebody That I Used to Know

## Pentatonix

Now and then I think of when we were together  
Like when you said you felt so happy you could die  
I told myself that you were right for me  
But felt so lonely in your company  
But that was love and it's an ache I still remember  
But you didn't have to cut me off  
Make out like it never happened and that we were nothing  
I don't even need your love  
But you treat me like a stranger and that feels so rough  
No you didn't have to stoop so low  
Have your friends collect your records and then change your number  
I guess that I don't need that though  
Now you're just somebody that I used to know  
Now you're just somebody that I used to know  
Now you're just somebody that I used to know  
Now and then I think of all the times you screwed me over  
But had me believing it was always something that I'd done  
But I don't wanna live that way  
Reading into every word you say  
You said that you could let it go  
And I wouldn't catch you hung up on somebody that you used to know  
But you didn't have to cut me off  
Make out like it never happened and that we were nothing  
I don't even need your love  
But you treat me like a stranger and that feels so rough  
No you didn't have to stoop so low  
Have your friends collect your records and then change your number  
I guess that I don't need that though  
Now you're just somebody that I used to know  
Somebody (to know) that I used to know  
Somebody (to know) that I used to know  
Somebody (to know) that I used to know  
Somebody (now you're just somebody that I used to know)
