

# GRoCERIES (feat. TisaKorean & Murda Beatz)

## Chance the Rapper

I'm like, "Oh my God, shawty tender like a strip"  
I'm like, "Oh my God, shawty came in with the drip"  
I'm like, "Her and her friend came for the show"  
Her and her friend came for the show  
I'm like, "Can you do it simple just like lemonade"  
I'm like, "Can you do it simple just like lemonade"  
I'm like, "Can you do it simple just like lemonade"  
I'm like, "Can you do it simple just like lemonade" Used to carry all the groceries in in one trip  
(One trip)  
Simply Minute Maid, gone in one sip (One sip)  
Too much dip on my chip (Hey)  
Stiff arm a jit to get my lip balm  
Used to carry all the groceries in in one trip (One trip)  
Simply Minute Maid, gone in one sip (One sip)  
Too much dip on my chip (Hey)  
Stiff arm a jit to get my lip balm  
Traffic, traffic, lookin' for my chapstick  
Big star, Patrick, haircut look like Brad Pitt  
Five star hotel, doorman look like Braxton  
Fancy carpet make her feel like J—  
Make her feel like Jasmine  
Make her feel like...  
Make her feel like Jas  
Make me feel like I choose you like I'm Ash  
Take me to the box, Bandicoot, let me crash  
Ooh, make me sleep, make me dream, make me snore  
Then wake me up, baby, I'ma need support  
Thank you, Lord  
'Member eatin' dinner, kitchen drawers full of sporks  
I was always wantin' to try and go over my aunt's  
Sugar in the 'frigerator right next to the ants  
I would make the Kool-Aid then go make a cooler dance  
Since I was a shorty nigga always wore the pants  
I'm like, "Oh my God, shawty tender like a strip"  
I'm like, "Oh my God, shawty came in with the drip"  
I'm like, "Her and her friend came for the show"  
Her and her friend came for the show  
I'm like, "Can you do it simple just like lemonade"  
I'm like, "Can you do it simple just like lemonade"  
I'm like, "Can you do it simple just like lemonade"

I'm like, "Can you do it simple just like lemonade" Put some water on the grass to make it grow  
I like her skin all black like a crow (Just like a crow)  
I'm like, "Get it, please, baby, get it"  
I'm like, "Dip it, nacho chip it"  
She like the club, but she don't dance though  
I text a kiddy and she text me back hello  
I'm like Simply Lemonade  
I'ma play my cards right,  
I ain't talkin' spades, they should be afraid  
Money growin' on the tree, it's gon' call a shade  
Please, can you hold on  
Please, could you hold on  
'Cause me and Chance ain't gon' take long  
'Cause me and Chance ain't gon' take long Used to carry all the groceries in in one trip (One trip)  
Simply Minute Maid, gone in one sip (One sip)  
Too much dip on my chip (Hey)  
Stiff arm a jit to get my lip balm  
Used to carry all the groceries in in one trip (One trip)  
Simply Minute Maid, gone in one sip (One sip)  
Too much dip on my chip (Hey)  
Stiff arm a jit to get my lip balm
