

# Come Sail Away

## Me First and The Gimme Gimmes

I'm sailing away, set an open course for the virgin sea  
I've got to be free, free to face the life that's ahead of me  
On board, I'm the captain, so climb aboard  
We'll live for tomorrow on every shore  
And we'll try, oh Lord, we'll try to carry on I look to the sea, reflections in the waves spark my  
memory  
Some happy, some sad  
I think of childhood friends and the dreams we had  
We live happily forever, so the story goes  
But somehow we missed out on that pot of gold  
But we'll try best that we can to carry on A gathering of angels appeared above my head  
They came to us with song of hope, and this is what they said  
Come sail away, come sail away  
Come sail away with me  
(x4)
