

Breathe (In the Air)

Pink Floyd

Breathe, breathe in the air
Don't be afraid to care
Leave but don't leave me
Look around and choose your own ground
For long you live and high you fly
Smiles you'll give and tears you'll cry
And all you touch and all you see
Is all your life will ever be
Run, run rabbit run
Dig that hole, forget the sun
And when at last the work is done
Don't sit down, it's time to dig another one
For long you live and high you fly
But only if you ride the tide
And balanced on the biggest wave
You race towards an early grave
