

We Are

Vertical Horizon

We are
We are
We are
We are Take a listen through the window
Take a lover on the radio
Ask her if she's got an answer
Do you know? Time enough to get a good one
Though they never seem to get done
I am standing for a reason
Do you know? 'Cause I don't know how
I don't know where
We are
We are
And I don't know why
I don't know if
We are
We are Seven days and not a return
Seven lives and not a thing learned
Take a lover on the highway
Do you know? 'Cause I am sleeping on a time bomb
And I am waiting for the light to come
You and I could get away now
Do you know? 'Cause I don't know how
And I don't know where
We are
We are
And I don't know why
I don't know if
We are
We are I get up sometimes
Like somebody else
Am I just wasting time
For somebody else? Take a listen through the window
Another lover on the radio
Ask her if she's got an answer
Do you know? 'Cause I don't know how
And I don't know where
We are
We are And I don't know why
I don't know if
We are
We are And I don't know how

I don't know where
We are I don't know why
I don't know if, if, if, if
We are
We are
