

Catfish and the Bottlemen

Larry call a load of smoke in
 I wanna lose a couple days
 We've probably never struggled coping but
 I never want to
 Promise again that I would call her Forget the time because I'm 7 hours behind
 It's probably good I didn't call though
 but I always want to
 I'd beg you but you know I'm never home
 I'd love you but I need another year alone I've tried to ignore it every time you phone
 But I never come close
 I don't think through things
 I never get time cause
 I don't think things through Larry call a load of smoke in
 I wanna disappear for days
 We've probably never struggled sleeping but
 I never want to Promise again that I would call her Forget the time because I'm 7 hours
 behind It's probably good I didn't call though
 but I always want to
 I'd beg you but you know I'm never home
 I'd love you but I need another year alone
 I've tried to ignore it every time you phone
 But I never come close
 I don't think through things
 I never get time cause
 I don't think things through
 I don't think through things
 I never get time cause
 I don't think things through
 I'd beg you but you know I'm never home
 I'd love you but I need another second to myself
 I've tried to ignore it every time you phone
 But I never come close
 I'd beg you but you know I'm never home
 I'd love you but I need another year alone
 I've tried to ignore it every time you phone
 But I never come close
