

# Shrimp Bayless

## Juice

Shrimp Bayless I been hearing you lately  
You love Jerry way too much you acting like ya'll related  
I got the Hall Of Fame waiting  
I'm the best and you hate it  
I don't know why you hatin'  
I don't know why you hate me  
Proly cause my name is mentioned with some of the greatest  
Then you talk about patience  
You're close to set out my patience
