

# The Feeling of Being Alive

Andrew W.K.

If you ever feel like something  
Is very, very wrong  
Wrong with life  
Wrong with yourself  
I understand  
I have that feeling tooBut in actuality  
That feeling isn't wrong  
That feeling is just being human  
That intense feeling inside  
Is the feeling of existing  
Of being alive  
Of being a person  
It's a mountain to climb  
It's a test to pass  
It's a challenge  
We are ultimately worthy of  
And rather than dread  
Or resent this challenge  
We can embrace it  
We can learn from it  
And we can celebrate itLife is very intense  
But that doesn't mean it's bad  
Understanding this is what partying's all about
