

# Out of Your Mind (feat. Alison Wonderland)

## The Presets

I just spent a dollar on a dusty cassette  
Plug it in, turn it on, here's what it said  
"Don't forget, it's not too late to start again"  
I saw it last in Mexico, I chased it 'round to Tokyo  
I had to make it stay  
Now, overcome and overthrown, I focus on the radio  
Was there I heard you say  
Are you out of your mind?  
Are you out of your mind?  
Underground, riding on the rail back home  
No-one around, but in my head I'm never alone  
And I'm bound to end up right back where I began  
I saw it last in Mexico, I chased it 'round to  
Tokyo  
I had to make it stay  
Now, overcome and overthrown, I focus on the radio  
Was there I heard you say  
Are you out of your mind?  
Are you out of your mind?  
Are you out of your mind?  
Now, overcome and overthrown, I focus on the radio  
Was there I heard you say  
Are you out of your mind?
