

These Are My People

[Rodney Atkins](#)

Well we grew up down by the railroad tracks
shootin' b.b.'s at old beer cans
chokin' on the smoke from a lucky strike
somebody lifted off of his old man
we were football flunkies
Southern rock junkies
crackin' up the stereos
singin' loud and proud to "Gimme Three Steps"
"Simple Man" and "Curtis Low", we were good yuh know we got some discount knowledge at
the junior college
where we majored in beer and girls
it was all real funny 'til we ran out of money
and they threw us out into the world
yeah the kids that thought they'd run this town
ain't runnin' much of anything
just lovin' and laughin'
and bustin' our asses
and we call it all livin' the dream
chorus these are my people
this is where i come from
we're givin' this life everything we've got and then some
it ain't always pretty
but it's real
It's the way we were made
wouldn't have it any other way
these are my people well we take it all week on the chin with a grin
till we make it to a friday night
and it's church league softball holler 'bout a bad call
preacher breakin' up the fight
then later on at the green light tavern
well everybody's gatherin' as friends
and the beer is pourin' till monday mornin'
where we start all over again
chorus we fall down and we get up
we walk proud and we talk tough
we got heart and we got nerve
even if we are a bit disturbed chorus
