Glow

Gavin James

I'm trying to keep my feelings close
But I miss you I suppose
'cause from our fingers to our toes
There are secrets no one knows
It's just a disguise
A little white lie
Digging a hole to find out
Am I behind your eyes?Love, don't let me go
If you feel the glow
I'll find the code
If you love me tell me so
(oooh)
I double dare to say it first
The only thing we've never heard
I knew it from the day I met you
I'd hang on your every word
I may not have much, But I have enough
So when you're alone do I cross your mind?
'cause you're always in mineOh love, don't let me go
If you feel the glow
I'll find the code
If you love me tell me so
There's a world outside that is waiting for you
(Ooooohh)
You I know I can't make you mine
Before you suffer
Am I behind your eyes
Love, don't let me go
If you feel the glow
I'll find the code
If you love me, tell me soDon't let me go
If you feel the glow
I'll find the code
If you love me tell me so
If you love me tell me so
