

# Too Young

## Ghost Beach

You've been around  
And you've been hurting  
You say its getting to me  
You've had enough  
And you've been waiting  
Yeah you've been waiting for me. But your too young, yeah your too young, yeah your too  
young  
Your gonna throw it away  
And I'll be waiting, when we get older  
When you get over,  
Over me singing  
Oh Oh Oh Oh Oh Oh  
No don't you throw it away, I'm saying  
Oh Oh Oh Oh Oh Oh  
No don't you throw it away, because .  
We shine like diamonds  
Covering the sea.  
But I feel separate sidewalks  
Underneath our feet.  
Because your too young, because yeah your too young, because we're too young  
We're gonna throw it away  
And I'll we waiting when we get older  
when you're over, over me  
Singing  
Oh Oh Oh Oh Oh Oh  
No don't you throw it away, I'm saying  
Oh Oh Oh Oh Oh Oh  
No don't you throw it away, because. I'm too young, you're gonna hold me back  
I wanna hold on to what I've been.  
But I'm too young,  
I throw my arms around you  
Forgetting who I am.  
Oh no no.  
You don't know what you're doing  
Yeah what you do to me.  
But this love, is better  
Than the one we need. Because you too young, Yeah your too young, Because we're too young  
Were gonna throw it away  
And I'll be waiting when you get older  
When you're over, over me, singing. Oh Oh Oh Oh Oh Oh  
No don't you throw it away, I'm saying  
Oh Oh Oh Oh Oh Oh

No don't you throw it away, because.Oh Oh Oh Oh Oh Oh  
No don't you throw it away, I'm saying  
Oh Oh Oh Oh Oh Oh  
No don't you throw it away, because.
