

# Better Off Dead

## Sleeping With Sirens

She says she wants to end it all when she's all alone in her room  
She cries  
The way she feels inside is too much for her  
When all you got is these four walls  
It's not that hard to feel so small Or even exist at all  
How come no one heard her when she said  
Maybe I'm better off dead  
If I was would it finally be enough to shut out all those voices in my head?  
Maybe I'm better off dead  
Better off dead!  
Did you hear a word  
Hear a word I said?  
This is not where I belong  
You're gonna miss me when I'm gone  
Gone, gone  
This is not where I belong  
You're gonna miss me when I'm gone  
She doesn't know she's beautiful  
Because no one's ever told her so And the demons that she hides are all she knows  
And maybe she can fall in love with someone in her life that she could trust  
And tell her she's enough (Have someone tell her she's enough)  
How come no one heard her when she said  
Maybe I'm better off dead  
If I was would it finally be enough to shut out all those voices in my head?  
Maybe I'm better off dead Better off dead!  
Did you hear a word  
Hear a word I said?  
This is not where I belong  
You're gonna miss me when I'm gone  
This is not where I belong You're gonna miss me when I'm gone  
When all you got is these four walls  
It's not hard to feel so small  
When all you got is these four walls  
It's not hard to feel so small  
All she wanted was to be enough  
All she wanted was to be enough  
So what does it take?  
Maybe it's not too late  
no one heard her when she said  
Maybe I'm better off dead  
If I was would it finally be enough to shut out all those voices in my head?  
Maybe I'm better off dead

Better off dead!  
Did you hear a word  
Hear a word I said?  
This is not where I belong  
You're gonna miss me when I'm gone  
Gone, gone  
This is not where I belong  
You're gonna miss me when I'm gone  
Gone, gone  
This is not where I belong  
You're gonna miss me when I'm gone
