

Take Back My Love (feat. Dia Frampton)

Frank Pole

Where were you when i needed you when i needed you back then?
What am i supposed to do while you just play pretend?
All those nights and stupid fights it's how it always ends always ends
Gave you all i had to give but you don't give the same
Gave you all my time but all i ever did was wait
Buitt your walls so high that i could never break em down
Even if i wanted i just can't keep you around
Grab your keys to the apartment get yor things no i don't want em
Take what you want but you can't take back my love
There's no point in saying you're sorry
All that stupid shit that you bought me
Take what you want but you can't take back my love
Can't take back my love
Can't take back my love
Can't take back my love
Can't take back my love
I was used to putting you before anyone else
Somewhere between losing you i only lost myself
Wore my heart out my sleeve but you just more me down
Wish i didn't have to but i cant keep you around
Grab your keys to the apartment get yor things no i don't want em
Take what you want but you can't take back my love
There's no point in saying you're sorry
All that stupid shit that you bought me
Take what you want but you can't take back my love
Can't take back my love
Can't take back my love
Can't take back my love
Can't take back my love
Grab your keys to the apartment get yor things no i don't want em
Take what you want but you can't take back my love
