Mac Miller

Well, this is what it look like, right before you fall  
Stumblin' around, you been guessing?your?direction, except you?can't see at all  
And I don't?have a name, I don't have a name, no  
Who am I to blame? Who am I to blame? NoAnd I cannot be changed, I cannot be changed, no,  
trust me, I've tried  
I just end up right at the start of the line, drawin' circles, mhm  
I drank my whiskey, you sip your wine  
We're doing well, sittin' watchin' the world fallin' down it's decline  
I can keep you safe, I can keep you safe  
Do not be afraid, do not be afraid  
You're feeling sorry, I'm feeling fine  
Don't you put any more stress on yourself, it's one day at a time  
It's gettin' pretty late, gettin' pretty late and that's fine  
It goes around like the hands that keep countin' the time, drawin' circles
