

Can't Buy Happiness

Tash Sultana

And I crouch in the snow
Don't wanna let the moment go
Kiss me on the tip of my nose
Come home to my freshly folded up clothes
I take the time that
I'm given
Blame it on myself
Sitting here reminiscing about the times that we've had
Times that were lost
And I guess I'm holdin' on
'Cause I only ever wanted to feel free
'Cause money can't buy, buy all my happiness
And don't you know I tried
And I tried all of this
And it don't mean a thing
No it don't mean
No it don't mean
No it don't mean
No, no, no
Report a problem
