Why Does It Hurt So Bad

Whitney Houston

Why does it hurt so bad? Why do I feel so sad? Thought I was over you But I keep crying when I don't love youSo, why does it hurt so bad? I thought I had let you go So, why does it hurt me so? I gotta get you outta my head It hurts so bad, oh, it hurts so bad, babe My life's been better since the day I left you boy I must admit life's been kind to me I went and did the things I said, "I would do, boy" I found someone who loves me for me, yeah yeahHaven't had much drama since the day that we split, boy My heart's never been more at ease And when I think of all the things you put me through Leaving you has been the best thing for meSo why does it hurt so bad? Why do I feel so sad? I thought I was over you But I keep crying when I don't love youSo, why does it hurt so bad? Baby, I thought, I had let you go So, why does it hurt me so? I gotta get you outta my head Hurts me so bad Hurts so (Yeah, you do) Hurts so (Hurts me so) Hurts so bad (Did you know) (That it hurts me so) Hurts so Hurts so (So bad, hey hoh)Never again that's what I said to myself I never wanna feel kind of pain again boy, hey Just when I think it's over, just when I think it's through I find myself right back in love with youSo, why does it hurt so bad? Oh baby Why do I feel so sad? (Thought I, thought I) Thought I was over you (I keep crying) I keep crying When I don't love you

(When I really don't love you, boy)(Oh no, oh no, oh no, oh no, it hurts so bad, oh tell me) Why does it hurt so bad?
