All Night (Cash Cash Radio Edit)

Icona Pop

We always dreamed about this better life, this better life
We always felt it coming all along, yeah all along

We've got the keys to open paradise, yeah paradise

Now let's go walking hand in handCome on baby we can hit the lights

Make the wrongs turn right

We can smash the clock

make the pop go rock

With a love this deep

we don't need no sleep

And it feels likewe could do this all night

We could do this all night

Yeah everything is alrightWe've got the keys to open paradise, yeah paradise

It feels like...

we could do this all night

(we could do this all night)Oh winter melts under the summer skies, the summer skies

The seasons change, our hearts will stay the same, yeah stay the same

We got that burning feeling, start a fire, start a fire

Give it a shout, let's make it hot

Come on baby we can hit the lights

Make the wrongs turn right

We can smash the clockmake the pop go rock

With a love this deepwe don't need no sleepAnd it feels like

we could do this all night

We could do this all night

Yeah everything is alright

We've got the keys to open paradise, yeah paradise

It feels like...

we could do this all night

Feels like...

we could do this all nightCome on baby we can hit the lights

Make the wrongs turn right

We can smash the clock

make the pop go rock

With a love this deep

we don't need no sleep

And it feels like...

we could do this all night

we could do this all high

Yeah everything is alright

We got the keys to open paradise, yeah paradise

It feels like... we could do this all night Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
